Dear Montlake Families and Friends,

Welcome to Montlake's 2010 Annual Auction! This year's Pike Place Market theme highlights Seattle's fantastic array of local arts, crafts and gourmet food. It also symbolizes our school's tight-knit, creative community – a diverse group of people creating a colorful whole that is infinitely more than the sum of its parts. This incredible coming together of Montlake families is the product of hundreds of hours of frequently unglamorous work. To those of you who made this event possible – Thank you! Whether you organized the catering, donated or procured items for sale, helped create class art projects or the student slide show, baked a dessert, or whether you helped set up the auction today, we could not do this without you.

Our auction proceeds go directly to making Montlake a superior school. Your participation in tonight's event ensures our school's continued excellence. Thank you all, and enjoy!

Lara Kreyenhagen
Liz Porter
PTA Co-Presidents

We are here tonight because of the amazing efforts of the many parent volunteers who envisioned, created, donated, procured, organized and otherwise generously gave of themselves. The success of our evening is the direct result of their efforts and we owe them all a very special thank you. Please join us in sharing appreciation for our many behind-the-scenes coordinators.

Auctioneer

We are pleased to welcome Allan Barlow as our host and auctioneer for this evening's events.

And a very special thanks to our Reader, Gail Schalk, for helping!

THE DETAILS:

Registration – Let's get this party started:

- When you register you will be given a bid packet that contains your bid number, table, veggie meal tag, and catalog. Please review the packet.
- Important: please know your bid number and make sure you are using only your bid number on all items.

Quick Check – Speed up the check-out process:

- Consider signing up for Quick-Check when you arrive at registration.
- There will be no need to stand in line to pay for your purchase(s) at the end of the night.
- An invoice will be mailed to you detailing your evening's purchases within a week of the auction.
- Please be sure to pick your items up before you leave.

Raffle – Split the Pot prize:

- There will be 200 tickets sold during the Silent auction.
- \$25 each or 5 for \$100. Look for the red necklaces.
- A winner is drawn at the start of the Live Auction. Prize is half of the raffle cash pot.

Silent Auctions

There will be three silent auctions, each with a unique assortment of goodies:

Tomato – Silent Auction 1 – Closes at 6:30pm

Corn – Silent Auction 2 – Closes at 6:40pm

Grapes – “Almost Live” Silent Auction – Closes at 6:50pm

- Descriptions and restrictions are noted clearly on each item.
- Auctioneer announces the closing of each. No more bids allowed on those items.
- Bid forms are collected. Cashier records the highest bidder for each item.
- Before going home, look for a white shopping bag marked with your bid number for any items you may have won.
- Guaranteed bids – You can secure any item by writing your bid number in the “guaranteed purchase” box.
- For events and parties that allow you to purchase by the seat, please include your bid number, name, and contact info for EACH seat you are reserving.

Live Auction

Takes place during dinner and dessert.

- The auctioneer will introduce one-of-a-kind classroom art projects, trips, parties and other priceless items, experiences and opportunities.
- Bid Cards work best when held up HIGH and OFTEN.
- Make sure your number is facing the auctioneer.
- Winning bidder? Keep your card raised so your bid can be recorded.

Heads & Tails –

This game is our version of the “seventh inning stretch”:

- To join this fun and fast-paced game, add your bid number to the **YELLOW** bid form at your table.
- Entries are \$25 per person.
- When the game starts, hands on your head for “heads” and hands on your tail for “tails.”
- You stay in the game as long as you win the coin flip.
- We will be announcing the winner’s prize on auction night.

Dessert Dash – Ante Up!

- Each table has an opportunity to bid for their own dessert.
- When you first sit down, find the **ORANGE** form on your table and pass it around.
- Either contribute to the pot or buy one for the table.
- Forms will be collected and when it’s time, the table with the highest combined total will be called by the auctioneer to **DASH** first.
- Your table's combined bid determines the order in which you are called, so this is no time to skimp!
- Everyone gets a dessert - but will it be your favorite?

Frenzy Events –

Dining and Wine certificates to be had at face value:

- Listen for the auctioneer to announce during the Live Auction
- Be prepared because the bidding is fast and furious!
- The first bidder with their card in the air, who is called by the auctioneer, will be the winning bidder.
- Restaurant certificates and bottles of wine are at full face value - no additional mark-ups.

Fund-An-Item - The highlight of our Live auction:

- Our Fund-an-Item helps support Montlake's outstanding staff, reduced class sizes, and enrichment programs.
- Immediately follows the video slide show featuring all our students.
- When the auctioneer asks, raise your bid card at a donation level of your choosing.
- These are 100% tax-deductible donations to the school.

Cashiering and Check-out – Thank you and come again!

- Check-out is available at 9:45pm.
- Please allow the cashiers to record all auction info before leaving.
- No need to wait if you signed up for Quick-Check. Your invoice will be sent.
- Be sure to take all purchased items home with you tonight.

Clean-up – Your effort will make a real difference.

- Parent volunteers Katherine Deforest and Jon Evans are leading the clean-up effort.
- We need everyone's help to ensure the building is ready for regular use.
- Please take a few minutes and do what you can to help.

Terms, Conditions & Expirations – the small print:

- Please check expiration dates and terms carefully on all certificates, as they vary by item.
- Unless specified, all items must be used by April 17, 2011.
- All sales are final, and there will be no refunds, exchanges, or extensions on items except where noted.
- The Montlake PTA does not provide warranty on the condition(s) of any item(s) sold.
- All items are sold as is.

Follow Up - The auction team will be happy to assist you.

- After the auction, if you feel that you have received something in error, or you did not receive something you purchased, please contact Heidi Kaplan at 206.709-0122, heidi.kaplan@comcast.net.

Thank you for supporting Montlake!
