

ReUsies™

Reusable Snack and Sandwich Bags™

www.ReUsies.com

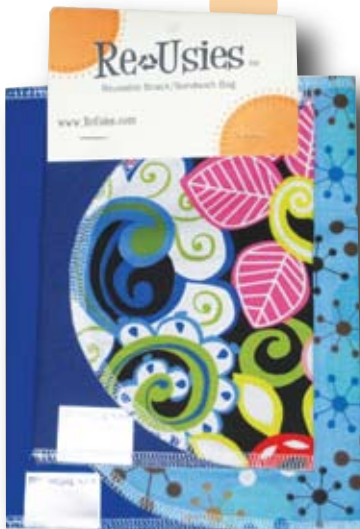

OUR PURPOSE:

At the start of the new school year we realized that our families were going through an average of 10 plastic bags per day between school and work lunches. We do our best to reuse and recycle in other areas of our lives, but there didn't seem to be a solution to the plastic sandwich bags we were using.

We developed ReUsies™ for their waste-free quality, but many customers primary reason for purchasing our product was to eliminate plastic bags from being in direct contact with their family's food. Whatever your reason, know you have made a good choice!

PRODUCT DESCRIPTION:

- * ReUsies™ are a reusable alternative to plastic sandwich and snack bags.
- * Each bag is designed with durability and long life in mind and has the potential to eliminate hundreds of plastic bags.
- * ReUsies™ are 100% cotton lined with leak-resistant, PVC, lead, BPA and phthalate free nylon.
- * ReUsies™ can be machine washed, washed in the dishwasher, or for longest life simply wiped clean with a soapy sponge and air dried.
- * ReUsies™ come in 2 convenient sizes (snack and sandwich) with fun prints to chose from.
- * ReUsies™ are made in Seattle, Washington

CARE:

ReUsies™ can be machine washed, washed in the dishwasher, or for longest life simply wiped clean with a soapy sponge and air dried. Remember to wash after every use.

GIVING BACK:

We believe in our product and the positive impact it has on the environment. We continue to actively donate a portion of our profits to educational and environmental programs.
